

# EXHIBIT 1

Prepared on October 5, 2020

Scott Richard Millis, Ph.D., ABPP, CStat, PStat  
Professor  
313-993-8085  
smillis@med.wayne.edu

#### Contact Information

261 Mack Blvd  
Detroit, MI 48201

smillis@med.wayne.edu  
313-993-8085

#### Degrees

2004	Other, Statistics, Montclair State University, Montclair, New Jersey
2003	Master of Education (M.Ed.), Evaluation and Research, Wayne State University, Detroit, Michigan
1984	Doctor of Philosophy (Ph.D.), Clinical Psychology (APA-accredited), University of Cincinnati, Cincinnati, Ohio
1982	Master of Arts (M.A.), Clinical Psychology (APA-accredited), University of Cincinnati, Cincinnati, Ohio
1978	Bachelor of Arts (A.B.), Psychology, Oberlin College, Oberlin, Ohio

#### Postgraduate Training

Oberlin College, Psychological Services  
Cleveland Center for Cognitive Therapy  
Cincinnati Neurological Associates  
Internship, Cincinnati Veterans Affairs Medical Center, Clinical Psychology

#### Faculty Appointments

Professor - Research Educator (with tenure), Department of Physical Medicine & Rehabilitation, School of Medicine, Wayne State University, Detroit, Michigan, United States, March 2005, Ongoing  
Professor, Department of Physical Medicine and Rehabilitation, University of Medicine and Dentistry of New Jersey - New Jersey Medical School, January 2003, January 2005  
Associate Professor, Department of Physical Medicine and Rehabilitation, University of Medicine and Dentistry of New Jersey - New Jersey Medical School, January 2000, January 2003  
Associate Professor, Department of Physical Medicine and Rehabilitation, Wayne State University School of Medicine, January 1996, January 1999  
Adjunct Associate Professor, Department of Psychology, Wayne State University, January 1996, January 1999  
Adjunct Assistant Professor, Department of Psychology, Wayne State University, January 1993, January 1996  
Associate Graduate Faculty, Wayne State University, January 1991, January 1999

Assistant Professor, Department of Physical Medicine and Rehabilitation, Wayne State University School of Medicine,  
January 1990, January 1996

Assistant Professor, Department of Physical Medicine and Rehabilitation, University of Cincinnati College of Medicine,  
January 1988, January 1990

#### Hospital or Other Professional Appointments

Acting Chair, Wayne State University, School of Medicine, Department of Physical Medicine & Rehabilitation, Detroit,  
Michigan, December 2018, January 2019

Director of Research, Rehabilitation Institute of Michigan, January 2005

Senior Research Scientist & Director, Office of Clinical Trials, Kessler Medical Rehabilitation Research & Education  
Corporation, January 1999, January 2005

Chief, Rehabilitation Institute of Michigan, January 1993, January 1999

Associate Director, Rehabilitation Institute of Michigan, January 1990, January 1993

Assistant Director, University of Cincinnati Medical Center, Brain Injury Program, January 1988, January 1990

#### Major Professional Societies

Nov 2006 - Present      Royal Statistical Society

Jul 1985 - Jan 2002      American Psychological Association

Jan 2002 - Present      American Psychological Association

Dec 1994 - Present      American Statistical Association

#### Medical Licensure

Psychology, Michigan, United States, License Number: 6301007792, Active, 1990, 2019-08-31

#### Board Certification

American Statistical Association, 2010

Royal Statistical Society (UK), 2007

American Board of Professional Psychology, Clinical Psychology, Certification Number: 6279, 2007, 2019, Lifetime Board  
Certification: Yes

American Board of Professional Psychology, Rehabilitation Psychology, Certification Number: 4919, 1997, 2019, Lifetime  
Board Certification: Yes

American Board of Professional Psychology, Clinical Neuropsychology, Certification Number: 4176, 1992, 2027

#### Honors/Awards

##### January 2006

Physician / Faculty of the Year, Rehabilitation Institute of Michigan

##### January 2005

Fellow, American Psychological Association,

(Div. 5 - Evaluation, Measurement, and Statistics)

##### January 2004

Fellow, American Psychological Association,

(Div. 22 - Rehabilitation Psychology)

**January 2002**

Fellow, American Psychological Association,  
 (Div. 40 - Clinical Neuropsychology)

**January 1996**

Fellow, National Academy of Neuropsychology

**January 1974**

Ohio Scholar, Oberlin College

Service: Institutional

**University****June 2019 - Ongoing**

Institutional Review Board, (Wayne State University) [Responsibility: Chair]

**May 2017 - Ongoing**

Institutional Review Board, (Wayne State University) [Description: B3 - Expedited Reviewer] [Responsibility: Member]

**October 2010 - October 2013**

Institutional Review Board, (Wayne State University) [Description: B3 Committee] [Responsibility: Chair]

**January 2008 - January 2009**

Department Review Committee, (Wayne State University) [Responsibility: Member]

**January 2007 - January 2011**

Clinical and Translational Science Awards Committee, (Wayne State University) [Responsibility: Member]

**October 2006 - October 2010**

Institutional Review Board, (Wayne State University) [Description: Member - B3] [Responsibility: Member]

**March 2005 - Ongoing**

Associate Chair of Research , (Wayne State University) [Description: Dept of PM&R] [Responsibility: Member]

Service: Professional

**National****January 2009 - January 2010**

Panel Member, Neuropsychology Subcommittee - Advancing Integrated Research in Psychological Health and Traumatic Brain Injury: Common Data Elements [Responsibility: Member]  
 National Institutes of Health, US Department of Defense, & National Institute on Disability and Rehabilitation Research

**January 2003 - July 2003**

Expert Panel Member, Measurement and Treatment Research to Improve Cognition in Schizophrenia (MATRICS)  
 [Responsibility: Member]  
 NIMH

**Additional Activities**

**January 2011 - January 2012**

Past President  
Detroit Chapter - American Statistical Association

**January 2010 - January 2011**

President  
Detroit Chapter - American Statistical Association

**January 2009 - January 2010**

Vice President  
Detroit Chapter - American Statistical Association

**January 2008 - January 2009**

Subcommittee Chair, Consensus Conference Statement on the Neuropsychological Assessment of Effort, Response Bias, and Malingering  
American Academy of Clinical Neuropsychology

**January 2006 - January 2009**

Advisory Panel Member  
Wechsler Adult Intelligence Scale IV and Wechsler Memory Scale - IV

**January 1995 - January 1996**

Treasurer  
Psychology Disciplinary Interest Group, American Congress of Rehabilitation Medicine

**January 1993 - January 1999**

Member Representative  
Association of Postdoctoral Programs in Clinical Neuropsychology

**January 1992 - Ongoing**

Work Sample Reviewer  
American Board of Clinical Neuropsychology

**January 1990 - January 1994**

Surveyor  
Commission on Accreditation of Rehabilitation Facilities

Service: Other

**Affiliate Medical Organization**

**January 2008 - November 2017**

Senior Management Group, DMC - Rehabilitation Institute of Michigan

**January 2007 - February 2018**

Chair, Ethics Committee, DMC - Rehabilitation Institute of Michigan

**January 2006 - January 2007**

Member, Ethics Committee, DMC - Rehabilitation Institute of Michigan

**January 2005 - Ongoing**

Director of Research, DMC - Rehabilitation Institute of Michigan

**Consulting**

**January 2013 - Ongoing**

Neuropsychology Consultant, National Football League

**January 2012 - January 2013**

Neuropsychology Consultant, Banyan Biomarkers, Inc.

**January 2008 - Ongoing**

Statistical Consultant, Archives of Physical Medicine & Rehabilitation

**January 2006 - January 2015**

Statistical Consultant, Pfizer, Inc.

**January 2006 - January 2008**

Statistical Consultant, Neurorecovery, Inc.

**January 2005 - January 2009**

Psychometric & Measurement Consultant, Harcourt Assessments

**January 2004 - January 2009**

Neuropsychology Consultant, Prudential Insurance Company of America

Scholarly Service: Peer-Reviewed Journals

**Editorial Board Member**

**January 2016 - Ongoing**

Archives of Clinical Neuropsychology, Editorial Board

**January 2011 - Ongoing**

Journal of Head Trauma Rehabilitation, Editorial Board

**January 2007 - January 2012**

Assessment, Editorial Board

**January 2000 - January 2005**

Journal of Spinal Cord Medicine, Editorial Board

**January 1997 - January 2006**

Journal of Forensic Neuropsychology, Editorial Board

**January 1993 - January 1999**

Editorial Board, Advances in Medical Psychotherapy

**January 1992 - January 1998**

Journal of Head Trauma Rehabilitation, Editorial Board

**Additional Activities****January 2017 - January 2017**

Psychological Assessment, 01/17 - 12/17

**January 2016 - Ongoing**

The Clinical Neuropsychologist

**January 2009 - January 2011**

Journal of the International Neuropsychological Society

**January 2009 - Ongoing**

Archives of Physical Medicine and Rehabilitation

**January 1999 - January 2006**

Journal of Clinical and Experimental Neuropsychology

**January 1996 - January 2010**

The Clinical Neuropsychologist

Scholarly Service: Grant Review Committees

**National/International****January 2008 - January 2010**

US Department of Defense

**January 2007 - January 2008**

National Institute on Disability and Rehabilitation Research - US Department of Education

Teaching

**August 2017 - Ongoing**

Wayne State University, Resident Lecture: Research , Didactic/Traditional Course Teaching, Trainee (Resident/Fellow/Intern), Lecturer, 10, 50, 80

**January 2016 - Ongoing**

Wayne State University, Mentoring & Advising, Mentoring/Advising, Trainee (Resident/Fellow/Intern), Research Mentor/Advisor, 100, 400, 25

Essays/Theses/Dissertations

**December 2019 - Ongoing**

Snapp, E, Graduate, Using social cognitive theory to predict physical activity participation for individuals with traumatic brain injury

**January 2013 - January 2015**

Greene, H., The psychometric properties and clinical utility of the Coping Inventory for Stressful Situations (CISS) in individuals with traumatic brain injury

**January 2012 - January 2015**

Bashem, J., Detecting suboptimal effort in traumatic brain injury assessment

**January 2008 - January 2015**

Olm-Madden, T., A reliable approach to psychological assessment using cognitive test batteries. External examiner: Doctoral dissertation

**January 2005 - January 2015**

Taneja, C., Utility of the CVLT-II Short Form in differentiating between subgroups of stroke. External examiner: Doctoral dissertation

**January 2004 - January 2015**

Berry, D., Neuropsychological test norms based on multiple samples: Effects of demographic variables, sample characteristics, and substance disorders. Doctoral dissertation

Alverzo, J., Orientation and the onset of neurological complications among brain injury and stroke patients. Doctoral dissertation

**January 2001 - January 2015**

Murji, S., Clinical subtypes in HIV-1 infection. External examiner: Doctoral dissertation

**January 2000 - January 2015**

Coleman, R., Awareness and fitness to drive in a TBI population. Doctoral dissertation

**January 1999 - January 2015**

Stogner, B. L., Prediction of postconcussion syndrome from neuropsychological and personality variables. Doctoral dissertation

**January 1998 - January 2015**

Ross, S. R., Clarifying the construct of schizotypy: Variability as a marker of subtype. Doctoral dissertation

**January 1997 - January 2015**

Coleman, R., Effects of coaching on the detection of malingering on the California Verbal Learning Test: An analog study of malingered head injury. Masters thesis

Anderson, P., Memory functioning in children and adolescents with Williams Syndrome. External examiner: Doctoral dissertation

Nanna, M. J., Comparative power properties of Hotelling's T2 versus the rank transformation test using real pretest/posttest Likert scale data. Doctoral dissertation

**January 1996 - January 2015**

Hanks, R., Ecological validity of measures of executive functioning in a traumatically brain-injured population. Doctoral dissertation

Johnson, P., Standardization of the Visual Object and Space Perception Battery (VOSP) on an American sample. Masters thesis

**January 1994 - January 2015**

Gola, T., Investigation of the validity of common methods to detect simulation in neuropsychological examination of mild traumatic brain injury. Doctoral dissertation

**January 1993 - January 2015**

Czarnota, M., Information processing speed and its relation to attention in a traumatic brain injury population. Doctoral dissertation

## Clinical Trials

**Additional Activities****January 2005 - January 2005**

Assessment of improvement of motor, sensory, and functional status of chronic Guillain-Barre Syndrome with the use of 4-aminopyridine, Co-Investigator,

03/01/05 - 12/31/05; \$165,000; 10%

**January 2002 - January 2003**

A randomized, double-blind, placebo-controlled study of C105 to improve memory in patients suffering from anterior communicating artery syndrome, Co-Investigator,

PI: R. Bogey; Sention, Inc.; 11/01/02 - 06/30/03; \$57,780, 15%

**January 2002 - January 2004**

Relationship between fatigue and endocrine abnormalities post traumatic brain injury, Co-Investigator,

PI: E. Elovic; Pharmacia; 11/01/02 - 10/31/04; \$60,000, 2%

Efficacy of pharmacological treatment of working memory impairment after traumatic brain injury: Evaluation with fMRI, Co-Investigator,

PI: E. Elovic; Cephalon; 08/01/02 - 07/31/04; \$128,387, 2%

**January 1998 - January 1999**

A 30-week study to compare the efficacy and safety of Aricept (5mg a day and 10 mg a day) with placebo in the treatment of dementia associated with multiple sclerosis, Co-Investigator,

PI: O. Khan; Pfizer, Inc., 12/98 - 10/99

**January 1997 - January 1998**

Neuropsychological data collection - Randomized, double-blind, placebo controlled study of intravenous CI-1009 in patients with severe head injury, Coordinator,

PI: W. Coplin; Parke-Davis, 05/97 to 01/98

**January 1995 - January 1997**

Neuropsychological data collection - National acute brain injury study: Hypothermia, Coordinator,

PI: J. Muizelaar; National Institutes of Health (NS-32786), 7/15/95 - 03/97

**January 1995 - January 1996**

Neuropsychological data collection - Multi-center, randomized, double-blind, parallel group trial comparing the efficacy and safety of multiple bolus injections of 5 mg/kg of Selfotel with placebo in intubated, severe closed traumatic brain injured patients, Coordinator,

PI: J Muizelaar; Ciba-Geigy, 5/15/95 - 8/96

## Grants, Contracts, and Other Funding

**Completed**

## Additional Activities

Defining Ablation Parameters for Optimal Cognitive and Seizure Freedom Outcome with MRI-Guided Stereotactic Laser Ablation in Epilepsy Surgery, Sponsored by Emory University (April 1, 2015 - March 31, 2016) (**\$4,656.00**), Completed, February 2017, PI Scott Millis

Prevention of Long-term Consequences of Mild Traumatic Brain Injury (October 1, 2013 - September 29, 2016) (**\$591,330.00**), Completed, September 2016, PI Scott Millis

Prevention of Blast-Related Injuries, Sponsored by DoD/USMRAA (August 1, 2012 - January 31, 2016) (**\$3,188,362.00**), Completed, January 2016, PI Scott Millis

Treatment for Social Competence in Military Veterans, Service Members and Civilians with Traumatic Brain Injury, Sponsored by Craig Hospital (August 1, 2011 - January 31, 2016) (**\$292,134.00**), Completed, January 2016, PI Scott Millis

Assessing development trajectories of the brain biochemistry in ADHD at 4 Tesla, Sponsored by NIH (January 15, 2010 - December 31, 2015) (**\$511,597.00**), Completed, December 2015, PI Scott Millis

A new measure of subjective fatigue in persons with traumatic brain injury, Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (October 1, 2008 - September 30, 2011) (**\$124,025.00**), Completed, September 2011, PI Scott Millis

Project Co-Director & Statistician: Southeastern Michigan Traumatic Brain Injury System., Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (October 1, 2008 - September 30, 2011) (**\$1,569,845.00**), Completed, September 2011, PI Scott Millis

Neuroanatomical correlates of positive psychology among people with traumatic brain injury: A biopsychosocial model. PI: R Hanks; National Institute on Disability and Rehabilitation Research, Sponsored by U. S. Department of Education (October 1, 2008 - September 30, 2011) (**\$450,525.00**), Completed, September 2011, PI Scott Millis

Stroke Care Delivery and Outcomes: Comparison between JCAHO-certified primary stroke centers and non-certified hospitals, Sponsored by Blue Cross Blue Shield (March 1, 2008 - March 1, 2009) (**\$83,768.00**), Completed, March 2009, PI Scott Millis

Functional assessment and treatment of neurogenic hypotension due to spinal cord injury, Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (September 1, 2005 - August 31, 2006) (**\$352,395.00**), Completed, August 2006, PI Scott Millis

National Institute on Disability and Rehabilitation Research and Centers for Disease Control and Prevention traumatic brain injury data comparability study, Sponsored by Centers for Disease Control and Prevention (September 1, 2004 - December 31, 2005) (**\$54,080.00**), Completed, December 2005, PI Scott Millis

Retraining driving skills after spinal cord injury: A virtual reality approach, Sponsored by New Jersey Commission on Spinal Cord Research (June 1, 2004 - February 14, 2005) (**\$284,514.00**), Completed, February 2005, PI Scott Millis

Examining the demands of driving in multiple sclerosis, Sponsored by National Multiple Sclerosis Society (October 1, 2002 - February 14, 2005) (**\$387,841.00**), Completed, February 2005, PI Scott Millis

The Traumatic Brain Injury National Data Center at the Kessler Medical Rehabilitation Research and Education Corporation, Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (July 1, 2001 - February 14, 2005) (**\$1,740,000.00**), Completed, February 2005, PI Scott Millis

Relating cognitive dysfunction and functional status in multiple sclerosis, Sponsored by National Multiple Sclerosis Society (September 30, 2000 - August 31, 2003) (**\$285,154.00**), Completed, August 2003, PI Scott Millis

Body weight supported training for recovery of walking after stroke., Sponsored by Rippel Foundation (January 1, 2003 - June 30, 2003) (**\$103,050.00**), Completed, June 2003, PI Scott Millis

Northeast Cognitive Rehabilitation Research Network., Sponsored by National Institutes of Health, National Institute of Child Health and Human Development (November 1, 2001 - June 30, 2002) (**\$118,481.00**), Completed, June 2002, PI Scott Millis

Northern New Jersey Spinal Cord Injury System, Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (January 6, 2000 - June 19, 2000) (**\$1,865,000.00**), Completed, June 2000, PI Scott Millis

Southeastern Michigan Traumatic Brain Injury System: A model system of comprehensive care for persons with traumatic brain injury., Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (June 1, 1999 - September 27, 1999) (**\$1,409,977.00**), Completed, September 1999, PI Scott Millis

Predictors of health-related quality of life following traumatic brain injury., Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (January 1, 1998 - September 27, 1999), Completed, September 1999, PI Scott Millis

Neuropsychological data collection - Southeastern Michigan Traumatic Brain Injury System: A Model System of Comprehensive Care for Persons with Traumatic Brain Injury., Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (January 1, 1993 - June 30, 1999) (**\$1,813,696.00**), Completed, June 1999, PI Scott Millis

Long-term training grant in rehabilitation psychology, Sponsored by Rehabilitation Services Administration, U. S. Department of Education (September 1, 1994 - August 31, 1997) (**\$291,000.00**), Completed, August 1997, PI Scott Millis

Enteral versus parental nutrition support following traumatic brain injury: Rates of infection and neuropsychological outcome., Sponsored by National Institute on Disability and Rehabilitation Research, U. S. Department of Education (January 1, 1993 - May 1, 1994) (**\$52,255.00**), Completed, May 1994, PI Scott Millis

#### **Funded - In Progress**

##### **Institutional**

Dissecting the Cognitive Roles of Hippocampus, Sponsored by Emory University (July 1, 2014 - April 30, 2018), awarded July 1, 2014 (**\$78,553.00**), Funded - In Progress, April 2018, PI Scott Millis [Type of Grant: Research]

##### **Additional Activities**

Social competence treatment for traumatic brain injury (January 1, 2018), Funded - In Progress, January 2018, PI Scott Millis

Rehabilitation Research Support (January 1, 2016 - December 31, 2018) (**\$180,280.00**), Funded - In Progress, January 2016, PI Scott Millis

Visual Gaze and Validity of Cognitive Evaluations (October 1, 2015 - September 29, 2018) (**\$596,558.00**), Funded - In Progress, October 2015, PI Scott Millis

#### **Submitted - Not Funded**

##### **Federal**

Brain and behavioral influences on motor skill learning in multiple sclerosis, Sponsored by NIH (January 24, 2020), Submitted - Not Funded, October 2019, PI Nora Fritz [Type of Grant: Research]

Myelin junction therapy in peripheral neuropathies, Sponsored by NIH (January 1, 2020 - January 2, 2023), Submitted - Not Funded, May 2019, CoInvestigator Scott Millis with PI Jun Li [Type of Grant: Research]

Spinal Cord Injury Model System (January 1, 2016), Submitted - Not Funded, January 2016, CoInvestigator Scott Millis [Type of Grant: Research]

##### **Additional Activities**

DETROIT COMMunity Outreach Network: Minimizing the Gap in HypeRtension thrOUGH PatieNt CentereD Healthcare (DETROIT COMMON GROUND), Sponsored by AHRQ (January 1, 2018), Submitted - Not Funded, January 2018, PI Scott Millis

Traditional vs. Psychoeducational interventions to prevent long-term consequences of mild TBI, Sponsored by PCORI (January 1, 2018), Submitted - Not Funded, January 2018, PI Scott Millis

Biopsychosocial prediction of mild traumatic brain injury outcome, Sponsored by Canadian Institutes of Health Research (January 1, 2018), Submitted - Not Funded, January 2018, PI Scott Millis

Non-Conventional Multiparametric MRI Model for Exploratory drug trails in ALS, Sponsored by Muscular Dystrophy Society (January 1, 2018), Submitted - Not Funded, January 2018, PI Scott Millis

Real-world implications for attention, multitasking and neuroplasticity of TBI, Sponsored by NIH R01 (January 1, 2018), Submitted - Not Funded, January 2018, PI Scott Millis

Establishing MR Scurrogates of TBI for improved diagnosis and outcomes prediction, Sponsored by NIH R01 (January 1, 2018), Submitted - Not Funded, January 2018, PI Scott Millis

TBI mild concussion, Sponsored by US DEPARTMENT OF DEFENSE (January 1, 2012), Submitted - Not Funded, January 2012, PI Scott Millis

Prevention of Long-term Consequences of Mild Traumatic Brain Injury, Sponsored by NIDRR (January 1, 2012), Submitted - Not Funded, January 2012, PI Scott Millis

Southeastern Michigan Traumatic Brain Injury System, Sponsored by NIDRR (January 1, 2012), Submitted - Not Funded, January 2012, PI Scott Millis

Southeastern Michigan Spinal Cord Injury System, Sponsored by NIDRR (January 1, 2011), Submitted - Not Funded, January 2011, PI Scott Millis
